1. Plate receipt from the Department of Motor Vehicles (DMV) indication that the vehicle's registration has been cancelled, or the vehicle's registration plate has been lost or stolen.
2. Any of the following *in addition* to the plate receipt from the DMV:
 - (a) A copy of the vehicle's bill of sale: A bill of sale section is now included on the bottom of the vehicle owner's registration form and transfer information must be recorded on the back of said form before it is submitted to the DMV. It is, therefore, the seller's obligation to provide a copy of the signed registration form along with the plate receipt to the assessor.
