PUBLIC HEARINGS

Matt and Kate Martorelli – 23 Tunxis Street

At the October meeting the replacement of the cedar fence was tabled to provide additional time for the applicant to obtain a sample of material for the PVC replacement proposed. Mr. Martorelli submitted a sample of PVC fence material he would like to use. After reviewing the sample the Commission commented the hollow PVC style fence was not appropriate and suggested a solid picket PVC material instead. There was a brief discussion and then Mr. Martorelli stated since they do not plan to replace the fence until spring he will withdraw his current request to replace the cedar fence and submit a new application sometime after the holidays.

The public hearing was closed at 4:09 p.m.
