NEW BUSINESS

FIP Aquifer

Review and Acceptance of Transfer of Registration from M & A Construction to H&H Refrigeration, Inc. 1814 New Britain Avenue. Registration No: APA 1009

H & H Refrigeration is proposing to move into the existing building at 1814 New Britain Ave., formerly M&A Construction Company. The building and property are in the FIP Aquifer. H&H Refrigeration have applied to have the previously approved Aquifer Registration for M&A Construction transferred to them. They have completed all appropriate applications and documents. The business is not adding to the registered regulated uses.

Upon a motion made and seconded (Tucker/Donald) it was unanimously

VOTED: To accept the transfer of registration from M & A Construction to H&H Refrigeration, Inc. at 1814 New Britain Avenue.

The meeting adjourned at 8:35 p.m.
