Land Acquisition Committee Report

Minutes of the December 12, 2019 Land Acquisition Committee were forwarded to the Commissioners. Assistant Town Planner Rutherford reviewed the minutes with the Commission.

LAC Representative

Chair Hannon stated he may have a conflict with future attendance to the Land Acquisition Committee. He asked the members to consider filling his position on the LAC. Membership of the Committee is made in part with two members of the Conservation Commission; two members of the Town Council; two members of the Farmington Land Trust; and one Town Resident.

7 Dorset Lane

Chip Bliss asked the Commission for direction regarding a culvert to the rear of 7 Dorset Lane. The Commission suggested to Mr. Bliss that a good starting point is to check the Land Records, specifically the deed, to see if the maintenance of the culvert is noted on the deed. He will need to determine if it is the property owner's responsibility. If it is determined that the property owner is responsible for the maintenance of the culvert, staff can work with Mr. Bliss on submitting an application to obtain the appropriate approvals.

Planner's Report
