Dear Neighbors,

The Farmington High School (FHS) Building Committee was established to bring forward a design proposal to referendum that includes a comprehensive solution the FHS Statement of Needs. The Committee is committed to an inclusive process, ensuring that we hear from all stakeholders regarding the proposed design for the new Farmington High School facility. A Neighborhood Engagement Subcommittee was established to engage in discussions with abutting property owners and those that live in the Highlands neighborhood surrounding FHS.

Now, the Neighborhood Engagement Subcommittee would like to hear from you.

Unfortunately, our last Neighborhood Meeting was interrupted and ended abruptly, and we were not able to have a discussion on the proposed new building like we intended. We have enhanced our security measures and protocols for online meetings, and look forward to presenting the new building option and receiving your comments and questions.

WHEN: April 30, 2020 from 6:30 PM – 8:00 PM

Please share this information with your neighbors!
