

TRAFFIC COMMITTEE MEETING
Wednesday, September 15, 2021

Meeting commenced at 1:00 p.m in the Chief's Conference Room

Present at Meeting: Chief Melanson, Lt Bailey, Jim Ruzbasan, Russ Arnold, Kat Krajewski, Sgt Stone, Officer Kyle Noddin and Amber Rush

New Business:

0921-01 Request for "blind driveway ahead" signs at 190 Farmington Ave (Dowling Securites)

Group determined that there isn't enough room to put a sign far enough away from the driveway to be effective. If anything, putting a sign would block visibility to the entrance even further. The group didn't believe there had been many accidents in that area, but Officer Noddin will be running a report to confirm. The group determined that the best solution would be for the owners of the building to clear out the bushes just before the driveway, thereby allowing greater visibility.

Item Closed

0921-02 Request for stop sign at intersection of Wintonberry and Corner Stone (north entrance).

Group determined request was reasonable, as all the other intersections in the development had stop signs.

Approved. Town Highway to install.

Meeting adjourned at 1:30 pm.

Respectfully Submitted,
Amber Rush- Police Management Assistant
