New Business:

1121-01 : Request from Pastor with St. James Church to have “Road Narrows” sign on 12 Diamond Glen be moved further down, to allow ease of access to a parking space.

1121-02: Resident from 1501 Farmington Avenue is requesting rumble strips, a flashing light, and/or a guardrail in front of his house in the hopes of preventing cars from potentially crashing into his home. There have been two accidents in 2021 in which the vehicles ended up in resident’s front yard. Concerned about speeding/crashing.

1121-03: Resident from 35 Scott swamp Road is concerned about the speed of traffic in front of house. Request for reduced speed ahead or blind driveway ahead sign to be posted along the right turn only lane for Scott Swamp (before the intersection for Colt Highway).
