

Farmington Town Council

CHAIR REPORT

MAY 10, 2022

NEW & NOTEWORTHY

- **Recognitions:** The Town Council presented Senior Center employees Andrea Bouchard and Nicole McClintock with the "Lifesaving Award" for assisting in the life-saving efforts of a resident experiencing a cardiac event. Armed with a defibrillator and their knowledge of CPR, Andrea and Nicole were able to sustain the gentleman's life until paramedics arrived.
- **FHS Building Project:** The Connecticut General Assembly passed special legislation that set the reimbursement rate for the FHS Building Project at 30%. This represents a significant increase in the reimbursement percentage initially set by the CT Office for School Construction Grants & Review. This change will reduce the cost to the Farmington taxpayers.
- **1928 Building:** A 1928 Building Committee was established to further evaluate and make recommendations to the Town Council. Please monitor the Town website for updates: www.farmington-ct.org
- **Explore Farmington:** There are numerous events and activities going on in Town this month. Check out www.explorefarmington.com for more information.

Memorial Day Parade

Due to sidewalk construction on Main Street in Farmington and the construction on the Unionville Bridge, the regular Memorial Day Parade routes are not accessible. This year, we are only holding one parade beginning on Perry Street, going through Unionville, and ending at the Town Hall. The parade will form at 9:30 A.M. and step off will be at 10:00 A.M.

Upcoming Meetings
