

**Traffic Committee Agenda**  
**Wednesday, December 21, 2022- 1pm**  
**Chiefs Conference Room**

New Business:

**1222-01:** Resident requesting sign on Bella Lane stating for pedestrians to use crosswalk when crossing street.

Old Business:

**1122-02** Resident of 241 Talcott Notch Road would like the speed limit on that road to be raised at least 40 mph. (Traffic Officer Frink will report the speeding data so group can speak further).

**0922-04:** Request for either a sidewalk to go up and continue up mountain on the north side of the street, or a crosswalk on the south side of the street between Hillstead and Mountain Road (Engineering Dept needed to do some further research).

**0922-05:** Resident is requesting speed bumps or flashing signs on Wood Pond Road. Concerned for safety of pedestrians, kids, etc., as there aren't any sidewalks and cars speed down the road on a daily basis. (Traffic Officer Frink to install speed signs to accumulate data to see if speeding is an issue that would warrant additional action).
