

Farmington Town Council

CHAIR REPORT

DECEMBER 13, 2022

NEW & NOTEWORTHY

- **1928 Building:** The Town Council gave consensus that the 1928 Building would be demolished if the referendum on the 1928 Building Project is not approved. The 1928 Building Committee intends to present the conceptual design and cost estimate at the January 24, 2023 Town Council Meeting.
- **Parsons Property:** The Town Council voted to authorize the Town Manager to work with Farmington's Legislative Delegation to request that the State of Connecticut convey the Parsons Property to the Town of Farmington to use as Modified Open Space at a minimal fee to the Town.
- The Town Council voted to approve a three-year contract between the Town of Farmington and the Fraternal Order of Police, Lodge No. 331.

Revaluation Update

The 2022 town-wide revaluation of all real estate in the Town of Farmington is complete. Residents should be receiving letters this week with their new property assessments. The new assessment reflects 70% of the fair market value of the property. The revaluation is required by law this year because it has been five years since the previous revaluation. Assessments derived from the revaluation will be used for the July 1, 2023 tax bills.

The revaluation assessment data is available online at www.farmington-ct.org
