Ms. Dolphin reported that the public hearing for the Auidi property had been held on February 9th. She also indicated that the title issues for the transfer of Lot 10A Slater Road had been resolved and the property was set to close on February 26th.

Open Space Zone – Committee Member Wadsworth started discussion of proposed open space zone. He suggested moving forward with a zone that simply put an additional layer of protection on existing open space by placing the properties in an open space zone to limit its future development. He indicated that he had talked with Dave Stygar with DEEP and that there are some towns that do just that, and he gave him some names of people to talk with. Ms. Dolphin asked to have the contacts sent to her and that she would follow-up with them for discussion at the next meeting.
