Mark Garilli and Nelson Reis reviewed the invoice package with the FHS Building Committee. The amount for O&G's Application #14 was listed incorrectly in the agenda invoice package, but the backup documentation had the correct amount of \$6,477,393.88. The committee amended the package to the correct amount of Application #14.

Mark Garilli and Ryszard Szczypek reviewed PCO#39 with the committee.

Upon a motion made and seconded (Carrier/Kurtakoti) it was unanimously VOTED: to approve the invoice package for Farmington High School as amended.

3) To approve the attached fee proposal from TSKP Studio for FF&E items in the amount of \$18,720.00.

Ryszard Szczypek clarified that the fee proposal from TSKP Studio and Kohler Ronan is for design services for mechanical, electrical, and plumbing changes that are a result of the FF&E process, not for actual FF&E items.

As a result, the FHS Building Committee amended the motion to read the following: To approve the fee proposal from TSKP Studio and Kohler Ronan in the amount of \$18,720.00.

Upon a motion made and seconded (Carrier/Kurtakoti) it was unanimously VOTED: to approve the fee proposal from TSKP Studio and Kohler Ronan in the amount of \$18,720.00.

4) To approve a \$20,000.00 increase to IMTL's purchase order for materials testing.

Mark Garilli and Nelson Reis explained that more materials testing will be needed and the funds in IMTL's existing purchase have been utilized. The professional partners are estimating that roughly \$20,000 more will be needed for these services.

The FHS Building Committee discussed this and determined that these funds should be drawn from contingency.

Upon a motion made and seconded (Carrier/Kurtakoti) it was unanimously VOTED: to approve a \$20,000 increase to IMTL's purchase order for materials testing.

5) The Farmington High School Building Committee hereby certifies that these final plans and the project manuals as prepared for bidding and dated September 14, 2023, and the professional cost estimate, completed in accordance with Level 3 of ASTM International Standard E1557, Standard Classification of Building Elements and Related Sitework-UNIFORMAT II for the following projects; State Project No. 052-0076N – Farmington High School Technology Equipment Bid Package (Phase 4 of 4) and State Project No. 052-0077BOE – FPS Central Office Technology Equipment Bid Package (Phase 3 of 3) and dated September 14, 2023, have

been reviewed and approved for this project on September 20, 2023.

Matt Ross, Director of Technology for Farmington Public Schools, gave a presentation that summarized the inclusions in the Technology Equipment Bid Packages. This presentation is recorded with these minutes as Attachment B.

Upon a motion made and seconded (Carrier/Kurtakoti) it was unanimously CERTIFIED: that these final plans and the project manuals as prepared for bidding and dated September 14, 2023, and the professional cost estimate, completed in accordance with Level 3 of ASTM International Standard E1557, Standard Classification of Building Elements and Related Sitework-UNIFORMAT II for the following projects; State Project No. 052-0076N – Farmington High School Technology Equipment Bid Package (Phase 4 of 4) and State Project No. 052-0077BOE – FPS Central Office Technology Equipment Bid Package (Phase 3 of 3) and dated September 14, 2023, have been reviewed and approved for this project on September 20, 2023.

6) To approve the attached invoice from Tall Timbers Marketing in the amount of \$7,500.00.

Upon a motion made and seconded (Carrier/Kurtakoti) it was unanimously VOTED: to approve the invoice from Tall Timbers Marketing in the amount of \$7,500.00.

7) To increase the Decision-Making Group's threshold to \$50,000.00.

Kat Krajewski and Johnny Carrier explained that the Decision-Making Group's threshold is currently \$25,000.00. At this point in construction, changes may need to be made quickly. Increasing this group's threshold will allow the project to progress without delays.

8) To cancel the October 4, 2023, FHS Building Committee meeting.

Upon a motion made and seconded (Carrier/Kurtakoti) it was unanimously VOTED: to cancel the October 4, 2023, FHS Building Committee meeting.

H. Executive Session.

 Discussion regarding a pending claim pertaining to the Farmington High School project in accordance with Section 1-200(6)(B) of the Connecticut General Statutes.

Upon a motion made and seconded (Carrier/Kurtakoti) it was unanimously VOTED: to move to executive session at 6:25 P.M.

Open session resumed at 6:59 P.M.

I. Other Business.

1) To authorize the Town Manager to modify and/or manage the contractual relationship with the Owner's Representative.

Upon a motion made and seconded (Carrier/Kurtakoti) it was unanimously VOTED: to authorize the Town Manager to modify and/or manage the contractual relationship with the Owner's Representative.

J. Adjournment.

Upon a motion made and seconded (Carrier/Kurtakoti) it was unanimously VOTED: to adjourn at 7:02 P.M.

Respectfully Submitted,

Devon Aldave Clerk of the Committee
