

Farmington Town Council

# CHAIR REPORT

July 9, 2024

## NEW & NOTEWORTHY

The Town Council voted to authorize a Memorandum of Understanding (contract agreement) between the Town of Farmington and the East Farmington Volunteer Fire Department Inc., Farmington Volunteer Fire Department LLC, and Tunxis Hose Co. No. 1 Inc. I am grateful to our volunteer fire companies and firefighters who continue to provide essential services to our residents!

### Road Projects

As you know, there is a lot of road work being done in Town during the summer months. Unfortunately, this does lead to disruption and some inconvenience to our residents. Information regarding road projects can be found on the Town of Farmington website ([www.farmington-ct.org](http://www.farmington-ct.org)). Town Staff are continually updating the website to indicate status of projects.

Additionally, important updates related to road closures are being posted to the Town of Farmington's new social media platforms:
