### Farmington High School Ribbon Cutting Ceremony

On Monday, August 26, 2024, doors to the new Farmington High School were opened to the public for the first time for a ribbon cutting ceremony and open house, marking a significant milestone in the Farmington High School Building Project.

Nearly 2,000 residents turned out to celebrate the completion of this state-of-the-art facility, Farmington's largest construction project to date. With students now occupying the new high school for the 2024-2025 school year, the FHS Building Project will move onto Phase III which includes renovation of the 900 wing of the former high school, and demolition of the remaining building.
