September 24, 2024

NEW & NOTEWORTHY

The Town Council met to discuss the Town of Farmington's Strategic Plan and came to a consensus to establish the following committees by the end of the year;

- Ad Hoc Sidewalk Committee
 - This committee will work to educate the public on the existing sidewalk ordinance and process, and make recommendations to the Town Council if any changes should be made.
- Ad Hoc Fire Station Building Committee
 - This committee will review the conditions of the existing fire stations and make recommendations to the Town Council regarding a charge and statement of needs for a potential Fire Station Building Committee.

Strategic Plan

The Town of Farmington's Strategic Plan is a planning document that guides the Town Council and Town Staff on policy and implementation. It was originally created based on the feedback from a survey of Farmington citizens on issues and services facing Farmington residents. Each Town Council reviews and approves an updated Strategic Plan at the start of their term. To review the current Strategic Plan, please click here: [2024-2026 Strategic Plan](#)
