

## **Unionville Historic District and Properties Commission**

### ***Spring Education Sessions for Commissioners & Homeowners***

***For owners of historic buildings & people interested in historic preservation***

Please join us for a discussion about the benefits of LED exterior lighting and how best to incorporate LED Lighting options into historic homes and buildings. We are excited to have **Todd Director and Carla Snowdon** from **Connecticut Lighting Centers and Restoration Lighting Gallery** join us and share their knowledge and experiences.

**Thursday, March 9th at 7pm**  
**Taprock Bar, 81 South Main St., Unionville**

***All are welcome!***
